Party B (Original Supplier)	Yuanjing Logistics Equipment Co., Ltd.
Unified Social Credit Code	91440000DEMO202602

1. Transaction Scope

Party B shall provide intelligent warehouse sorting equipment and installation services to Party A. The total contract value is 100 USDC (one hundred USDC).

2. Delivery and Acceptance

Delivery shall be completed by 2026-09-15. Party A shall complete acceptance within five working days after delivery. The acceptance record, together with this contract and the related invoice, serves as proof of trade authenticity.

3. Settlement Terms

An accounts payable is formed after Party A receives a compliant invoice and completes acceptance. Related invoice number: INV-2026-0822-01; payable amount: 100 USDC; payment due date: 2026-12-20.

4. Rights Confirmation

Party A confirms that once equipment acceptance is passed and invoice information matches this contract, the payable may enter the AttestFlow financing process as a confirmed receivable. On-chain records are used for evidence, registration, and settlement only, and do not replace the legal relationship established by this contract.

5. Demo Statement

This document is auto-generated by AttestFlow for product demonstration only. All entities, identifiers, transactions, and payment obligations herein are fictional and do not constitute a real contract.
